Inserts: August Calendar

It's been a busy summer and, as always it seems, the months of June, July and August slip by faster than any of the other nine months. I'm guessing that's the way it is for most of us in northern climates who try to cram as much as we can into these weeks when there is more light and warmth, as well as vacation from school. Here are a few things that have kept me busy this summer:

Calling Pastor Dave

At the time I'm writing this, Pr. Dave Strohschein is considering our call to serve as pastor with me here at Trinity; and by the time you read this, his decision will have been made (so he promised me!). This is the culmination of a process to call a second pastor that began more than a year ago and is intended to strengthen the pastoral care we provide both to our congregation and community. My prayer is that Pr. Dave would accept this call, where he would serve us at Trinity half-time in ministry areas of worship and stewardship, as well as family life, children and youth. For the other half of his time, he would continue on as administrator of our Prince of Peace Lutheran School. Pr. Dave is well-known by many here, having served as Pastor of neighboring Holy Cross Lutheran Church in St. Cloud for 25 years, and since 2003, as Mission and Ministry Facilitator for the congregations of the MN North District, LCMS in Brainerd.

Please join me at this time in praying for - and hopefully welcoming - Pr. Dave and our ministry together here at Trinity.

Who/Where Are Trinity's Members

At the beginning of June, our Lay Ministry Board began the difficult task once again of identifying and encouraging those individuals and families who are listed on our congregation's membership roles who have not worshipped with us for some time. Letters were sent to 176 addresses (a number who no longer live in the area and a larger number who still live here but have been inactive) asking them what they would like us to do with their membership status. An August 1st deadline date to respond was given, after which time they were informed their name(s) would be removed if we had not heard back from them.

I say this is a 'difficult task' because the impression that often results from these kinds of letters is that we are "kicking people out of church." That reaction couldn't be further from the truth! The letters were written in such a way as to share a deep concern for souls, along with our desire to assist in the nurture of those souls through Word and Sacrament within the communion of saints. If you are someone who has received such a letter - or know of someone who has - please know that we care.

So far, quite a few written responses - and some verbal - have come back: some indicating they've already joined another church, others wishing to remain members of Trinity. And some have returned and started worshipping again! Is it worth the 'difficult' effort and the ruffling of feathers? I believe it is.

A New Pictorial Directory

Elsewhere in this newsletter is information about pictures being taken in September for our new directory. The last directory was produced 5 years ago and many changes have taken place since then.

DCO CORNER:

There is an ongoing need in our community for assistance. I get calls every week from people asking for help. These needs give us the opportunity to put our faith in action.

Our guidelines for social ministry: We assist both members and non-members in our community. We never assist with cash, for any reason, but work directly with vendors, landlords, pharmacists, utility companies, etc. Our social ministry financial assistance is usually for a one time emergency as we try not to create a relationship of dependence. We are able to do a few things from our own social ministry fund but most of our assistance involves making referrals to social ministry agencies in the community.

Trinity's social ministry resources: Non-perishable food shelf, frozen hams and turkeys, gas vouchers, bus cards, greyhound bus tickets, hotel, diapers, formula and prescriptions. If you would like to contribute to our social ministry fund you can make checks payable to: Trinity Lutheran Church and in the memo note: "social ministry". You can put checks in the offering plate or leave them in the church office.

Community referrals: Community meals and shelter at Place of Hope and Salvation Army, Project Heal for medical needs, United Way 211 for a "first call for help", Good Samaritan Fund for help with damage deposits, rent and car repairs, Tri-Cap for energy assistance, Catholic Charities for financial counseling, Faith in Action for minor household repairs, transportation and housekeeping, Community Furniture Program and St. Cloud Area Legal Services.

Our mission statement says that we "*Share the Caring Christ with All People*". Our social ministry program is one way we can show mercy to others. However, we are to witness in both deed and word. Helping someone financially is a good thing to do but it is not all we are to do. In Romans 10:17 St. Paul says, "Consequently faith comes from hearing the message". Often when I am assisting others they are usually open to God's Word. I have shared Bibles, tracts, Portals of Prayer and Project Connect Booklets from the rack in our lobby. I have also had opportunities to invite people to worship and to pray with them.

Our social ministry program is an avenue for us to live out our faith and love and serve our neighbor by putting our faith in action. Don't hesitate to encourage people you know to call me at the church to see if we can be of some assistance to those that are in need.

Craig Cooper, DCO

Contemporary Music Director:

Trinity is looking for a musician who can plan, lead instrumental, and vocal music in weekly contemporary worship. It would be a plus if this person could also assist in directing the traditional choir. Contact the church office for more information. 320-252-3670.

Worship and Music Notes

"Let us go to the house of the Lord"

We are blessed with numerous opportunities to worship. The Lord has blessed us with the freedom to come together as a church family without fear of persecution. There are so many other places in this world where that is not possible. How easy it is to forget the countless blessings we have and take for granted the way of life we live.

"I rejoiced with those who said to me, 'Let us go to the house of the Lord.'" Psalm 122:1

As August gives way to September, the summer schedules segue into the busier schedules of the school year. (Ironic how the attendance flows in the opposite direction!) Watch for opportunities to serve musically as Adult Choir and the Hand Bell Choir will be resuming. Participation in these groups is vital to their success! Please prayerfully consider your musical gifts and make a commitment to serve in this capacity. It is so rewarding to come together with other friends and new acquaintances from church to work together to provide music for worship.

"Worship the Lord with gladness; come before Him with joyful songs." Psalm 100:2

As a congregation, we participate in the music every Sunday with the singing of the hymns. We have 635 hymns to pick from in our hymnal and sing 275 hymns in the course of a year. It is a challenge to pick hymns that directly tie into the lessons for the day and are familiar and sing able. "All music was once new," is a quote from MPR. There will be times when a hymn is new to you. If given a chance, it could become a favorite! Don't let an unfamiliar tune rob you of the richness of the text. To God be the glory.

Watch your calendar and bulletin for music opportunities and announcements.

God's blessings to you and yours as we worship together.

Daniel Reineke, Music Director (320)656-0963 danielreineke@charter.net

Salt & Pepper

We had a great day for our July activity. We had a wonderful lunch on the patio at Nelson Brothers in Clearwater followed by a trip just a few miles out of Clearwater to see a man named Bing and his collection of old gas pumps, phone booths and many other antique items. We have an exciting day planned on Tuesday, August 18th. We will begin our day by touring the Governor's mansion in St. Paul. This will be followed by lunch at the landmark Mickey's Diner (which has also been featured on Food Network). After lunch we will be touring the Hill Mansion and the Ramsey Mansion all in St. Paul. The cost of the tours and the gas will be paid by Salt & Pepper. The only expense will be your lunch. There is a sign-up sheet on the kiosk. Please join us for this fun filled day. Watch for further details on departure time.

Camp Discovery- Jesus At Work Through Us Vacation Bible School 2015

Vacation Bible School was held at Trinity Lutheran Church from June 28th through July 2nd from 6:00-8:30 PM. Sixty-five children were registered from six area churches. The *Camp Discovery* theme helped the children to discover God's plan and purpose. They learned that Jesus works in and through us!

Our week began with the story of David and Goliath. We saw how David was bold to defend the one true God, and how he used his God-given courage to defeat the enemy of God's people. **JESUS GIVES US COURAGE: *Be Bear-y Courageous!*** The next evening, we heard how God sent Deborah, a judge, prophetess, and leader, to help His people. God gave her His wisdom to judge the people's arguments and to help them. **JESUS GIVES US WISDOM: *Make Wise Choices!*** Our next discovery was found in the story of God saving Shadrach, Meshach, and Abednego. The story taught us that Jesus saves us now and eternally and He gives us faith and trust to confess Him as our Savior. **JESUS SAVES US: *Get Fired Up About Jesus!*** Jesus giving Bartimaeus sight was our next camp discovery. Jesus gives us faith to believe and to follow Him. Jesus is at work through us as we bear our crosses. **JESUS GIVE US FAITH: *Follow Jesus!*** We ended our week finding out how Jesus calls us to share His love with others, often through actions of mercy as when God sent Ananias to Saul. **JESUS GIVES US HIS LOVE TO SHARE: *Share the Good News!***

Our Big Timber Leader was Jennifer Kranz. She began each evening with prayer, an introduction of the take-home point, and a visit with Chester the squirrel puppet about lessons that God's Word can teach us. Pastor Dave and Karen Strohschein were the Treetop Storytellers for our camp. They presented the bible stories in a variety of ways and helped bring the stories to life by having the children act them out. Our S'More Fun Music Leader was Heidi Eisenlohr. She led the children in camp songs and actions. Daily snacks were prepared by our Campfire Snack Makers Cindy Clitty, Mary Neumann, and Diane and Abby Gooch. The children prayed together and learned how even their snacks can remind them how Jesus works through them. Splash 'n Dash Games were led by Sue Morey. She was assisted by Justin Hackett and Bob & Thea Terpstra in leading inside and outside activities. Wilderness Craft Leaders were Sandi Murphy, Dee Tvrdik, and Max Lurken-Tvrdik. They helped the children complete projects that reminded them of the daily bible truths. Colten and Talon Sigurdson were assistants in both the music and games areas.

Our Tree-mendous Leaders for each grade level helped the children complete their daily leaflets and guided them through the various rotations. Connie Mooney led the three-year-old group. The four-year-olds were guided by Alison Murphy. Barb Mingo and Candice Bicondoa worked with the five-year-olds. Jennifer Machula and Lucie Schwartzkopf worked with the Kindergarten class. The first and second graders spent their camping week with Jan Gratke. Sandy Austin led the third graders in their activities and Shelly Zimmer was the leader for grades four and five.

We had amazing support for our camp experience! **THANK YOU** to the teachers, rotation site leaders, assistants, class sponsors, cash donators, craft material suppliers and snack donators. Thank you to Karen Vennes for sharing her artistic ability for our props and settings and for making sure Chester the squirrel was well cared for! Thank you to Gayleen Dierks, Jim Stueve and Andrea Mumme for their preparation help. Thanks much to Judy Rehwaldt for all of her office expertise and to Ken Knafla for helping with storage of our materials. Big City Mission was our VBS mission project this year. It is a Lutheran Church-Missouri Synod project that helps children in North America's inner cities. We were blessed to send in \$274 that will help purchase three backpacks with school supplies and forty lunches for the children!

We had a great time at camp discovering that Jesus truly does work through us in so many ways!

VBS Coordinators, Kathy Stueve & Bev Karls

LCEF Shared Blessings

We did it! We reached the first level with 87 investors. Put up the check mark! We now have \$440 in rebates each month. On to the next level. See Lori Wendt at the LCEF table in the narthex for more information. We need 50 more applications to reach the next level! Sign up today!

Do you have kids or grandkids? An anonymous donor gave \$25 per child to help open up a LCEF Young Investor account. The child must be 12 years old or younger and you must keep the money in the account for a minimum of 5 years. If you are interested fill out the appropriate application and write your own check for \$25 (or more if you wish). Then turn the application and check into Lori Wendt or the church office. The Finance Team will then reimburse you \$25 and send in the application for you.

(Contd. from pg. 2) Although an updated membership list is not the reason or motivation for the letters mentioned above, it is helpful in our life together to know and be able to identify who our members are, as well as be able to communicate with them through updated contact information. Because we care, I encourage you and your family to be included in this effort.

LCEF 'Shared Blessings' Rebate

Please read the exciting news mentioned elsewhere in this newsletter. With the involvement of 87 Trinity investors, (these numbers are determined by a % of our total membership) Trinity is already saving \$440 each month on its building loan. We need 50 more investors to reach the next level, which would return \$650 a month to us. Remember, it's an investment of as little as \$25. The money is yours. And to further encourage you, Trinity will even reimburse you the \$25!

Questions: call Lori Wendt - 250-9373.

Planned Giving Stories for Christian Stewards

Thomas was a widower who had a great love for his church. As an individual who had directly benefited from its ministry, Thomas told his attorney that he wanted to thank the church with a bequest from his estate. Thomas' estate included some stocks, real estate and an IRA. Thomas' attorney recommended that he give the appreciated stock and real estate to his children and leave his IRA to the church.

Thomas: *My attorney told me that if I gave the stock and real estate to my children, these assets would receive a step-up in basis at my death. My children could then sell them without paying tax. However, if I gave my children my IRA, the IRA would be subject to estate and income tax. After paying all of these taxes, very little would be left for my family. By giving the IRA to the church, I could make a nice gift and avoid any additional tax for my estate and children.*

Thomas contacted his church's gift planning counselor to obtain a beneficiary designation form. He filled out the form and designated his church as the 100% recipient of his IRA account. Thomas' attorney then specified in Thomas' will the bequest of his other assets to his children.

Thomas was pleased that because his church was a tax exempt institution, it would receive the full amount of the IRA value when he passed away, creating a legacy for the future.

You also may want to make it easy and convenient to have a bequest included in your will. Information and confidential consultation about planned giving options that might benefit you - like a bequest to save taxes - can be obtained by contacting either Mr. David Priebe, retired business attorney (612)508-4640; or Mr. George Miller (800)482-5022. Both David and George are Gift Planning Counselors for the MN North District - LCMS.
