## *From the Pastor:*

*"There is a time for everything, and a season for every activity under heaven. (Ecc. 3:1)*

Got a minute! That's about how long it will take you to read this message. And in doing so, you will have used up one of the 10,800 minutes God has given you this week; one of the 524,160 minutes of this year. Or, stretching it out over an 80 year lifetime, one of 41,932,800 minutes.

Sounds like a lot, but it's amazing how quickly those minutes pass by. I was reminded of that as I realized this morning that more than half the summer is over. There are those who would be quick to point out that the older you get the faster time seems to go; you know, once you're 'over the hill' you pick up speed! But even school children I talk to lately (along with a few school teachers) are a little dismayed that summer vacation is going too fast. Minutes hold the same length of time for all of us, as do hours, days and years. How we personally measure them and make use of them, however, varies greatly by individual.

The 'old' wisdom of Ecclesiastes reminds us that time, like life itself, is a gift from God. It is: To be used, not selfishly hoarded. In other words, use the gifts God gives in service to others.

*"Whatever your hand finds to do, do it with all your might." (Ecc. 9:10)*

*"Whatever you do, work at it with all your heart, as working for the Lord." (Col. 3:23)*

### To be enjoyed.

*"There is nothing better for a man than to enjoy his work." (Ecc. 3:22)*

*"There is nothing better for men than to be happy and do good while they live. That everyone may eat and drink, and find satisfaction in all his toil – this is the gift of God." (Ecc. 3:12-13)*

### To be treated with urgency. We don't know how much of it we have left.

*"Remember your Creator in the days of your youth, before the days of trouble come and the years approach when you will say, 'I find no pleasure in them.'*

*... before the silver cord is severed . . . and the dust returns to the ground it came from and the spirit returns to God who gave it." (Ecc. 12:1,6-7)*

*"Work while it is still day, before the night comes when no one can work."*

### To be lived in hope.

*"I have seen the burden God has laid on men. He has made everything beautiful in its time. He has also set eternity in the hearts of men." (Ecc. 3:10-11)*

How are you measuring your time? In the Person of Christ Jesus, the eternal God entered time in order to save us. Through faith in His redeeming love, we already are living eternally.

Wait a minute! That means the passing of another summer and getting older – and even dying – aren't all that terrible after all.

So, in the meantime, enjoy the rest of the summer!

*Pastor Paul Cloeter*

**DCO CORNER:**

Our Lutheran Church Missouri Synod met in convention July 9-14 in Milwaukee, WI. One of the many resolutions passed was **Resolution 1-04, To Encourage Immigrant & Refugee Outreach.**

This reminded me of the opportunities God has put before us here at Trinity.

Some of you may wonder what is the difference between a refugee and an immigrant. Lutheran Immigration and Refugee Service (LIRS) defines the difference like this, **"Refugees** move to a new country because they have nowhere else to go. They are fleeing persecution and fear for their lives. They must prove that they have been persecuted or have a well-founded fear of persecution based on their race, religion, political affiliation, and other factors. **Immigrants** relocate to a new country because they want to, and have approval, from the government that is receiving them. They are people who can return to their countries without fear."

LIRS goes on to explain why we should get involved, "We are a nation of immigrants and refugees. **As people of faith, we are called to 'welcome the stranger'**. Helping refugees who have fled their homes and are displaced in refugee camps with little or no food, health care, shelter or protection is the right thing to do. We hope that someone would do the same for us if we were in their shoes."

**There are opportunities for ministry to refugees in South Sudan and here in Sauk Rapids.**

**In South Sudan** this summer violence has increased between two tribes near Juba, the capital city. 300 people have already been killed. At least 42,000 people have been displaced, and this is in addition to the already thousands of people in Refugee

Camps near Juba. Agencies that provide relief to refugees have also been forced to flee the violence. So, there is an immediate and desperate need for food, water and shelter. Please pray that the declared cease fire will hold and pray that God's people will respond with aid for the refugees in South Sudan. The Country Director for Mercy Corps South Sudan says that, "Severe hunger looms for more than **6 million people** across the country." (Continued on page 5)

## *Barnyard Roundup*

### *Jesus Gathers Us Together*

#### Vacation Bible School 2016

*Barnyard Roundup-Jesus Gathers Us Together* was the theme of this year's Vacation Bible School held at Trinity Lutheran Church on June 12-16<sup>th</sup>. Seventy-six children were registered from fifteen area churches. Each evening, the children explored a farm-tastic Bible account that taught how God is with them and gathers them together as a shepherd gathers and cares for his sheep. The Bible memory focus for this year's Vacation Bible School was Psalm 23.

Our first story was "Jesus Is the Good Shepherd". It was a parable told by Jesus to teach us about a shepherd's care and love. Jesus takes care of all of our needs and protects us from sin and Satan. JESUS CARES, NOW AND FOREVER! Our next story was "Jesus Feeds 5,000 People". Jesus' miracles show us He is God. He provides all our daily needs. He died to pay for our sins. He rose to give us eternal life. He did it all! JESUS PROVIDES, NOW AND FOREVER! Our third barn raising bible story was "Jesus Tells about a Sower". Jesus, working through God's Word, leads us in paths of righteousness. God abundantly spreads His Word and provides a great and fruitful harvest. JESUS LEADS, NOW AND FOREVER! The next story, "Jesus Tells about a Lost Son", is found in Luke 15. The children were reminded that even though we sin daily by doing what we want instead of what Jesus wants, He still loves us, forgives us, and welcomes us home to heaven. JESUS FORGIVES, NOW AND FOREVER! Our final story was "Jesus Appears to Mary in the Garden". When Jesus spoke Mary's name, she knew her Savior was alive! He knows our names too and calls us to be his own. He achieved victory over death for us. We gladly and joyfully tell others the Good News of what Jesus did for us. JESUS IS OUR SAVIOR, NOW AND FOREVER!

Our Roundup Leader was Jennifer Kranz. She began each session with prayer and an introduction to the night's story and theme. Her talks with Pat, the farm pig puppet, tended to by Tom Herbst, helped the children see how much God loves us all. Jennifer also led the closing time each day. Pastor Dave and Karen Strohschein were the Barn Raising Storytellers. Each night they presented a puppet skit to tell the bible stories. Heidi Eisenlohr and Jenny Sprengeler were the Moovin' & Groovin' Music Leaders. The children had fun with them singing and moving to the VBS songs. The Bountiful Blessings Snack Makers were Donna Esselman and Cindy Clitty. Together with their assistants, they led prayer and conversation about the daily bible truths while serving fun treats. Sue Morey led the Bales of Fun Games time. The children took part in energetic activities that reinforced the bible stories. The Udderly Cool Craft activities were led by Dee Tvrdik. God's Word was shared by completing fun projects to remember the daily take-home points. Angela Hansen, Lucie Schwartzkopf, and Rose Zwick assisted Dee and the children in preparing and completing the projects. Doreen, Danielle, and Denise Schultz assisted many of our leaders throughout the week. Laura, Travis, and Zach Woltmann also helped in the various site rotation areas.

Our Farm-Tastic Leaders gathered and led the children to the various sites and guided them through their lesson leaflets during classtime. The three-year-olds were led by Connie Mooney. Shelly Stangler led the four-year-old group. Julie Willman worked with the five-year-olds. Holly Karls spent the week with the Kindergarten children. The first graders gathered around with Joanne Keck. Jan Gratke, assisted by Grace Roesch, spent their farm week with the second grade children. The third grade leader was Rhonda Holzheimer. Shelly Zimmer guided the fourth and fifth graders through their activities.

Many, many people helped to make our Vacation Bible School week a success! A huge thank you to the people who donated craft materials and snack supplies. Your generosity is amazing! Thank you to those who sponsored a class and/or made a cash donation. Your support meant a lot!

## Worship and Music Notes

Happy summer greetings to all!

Being the music teacher at Prince of Peace gives me the tremendous blessing of interacting with children of all ages, not only in my classroom but also when I'm teaching piano lessons. A few days ago, I went down to the school gym to get one of my students for a piano lesson who happened to be attending our summer care program. He and I were walking out of the gym to head upstairs when all of the sudden, his younger brother stopped me and said, "Go easy on him today, okay?" I started laughing and then assured this younger sibling that I would indeed "go easy on his brother!" As we walked out into the hallway, I asked my student what his brother meant and he said, "I have no idea! He's a strange one!" Out of the mouths of children . . . :) )

I shared this funny exchange with a friend later that day and she said, "Well, it's a good thing that God goes easy on us otherwise we wouldn't have the promise of eternal life with Him in heaven!" So true.

I look forward to starting up handbell rehearsals, choir rehearsals and continuing with worship team rehearsals (etc.!) next month when our fall routine gears back up again! Be watching for more information on start up dates/times and I promise that I'll try to "go easy on you!"

Praising Him,

*(Continued from page 3)* This is not only because of the recent conflict but because **South Sudan has the highest rate of inflation in the world.**

**This fall family members of Pastor John Bakou and his nephew Odol are coming to St. Cloud.** Pastor John's mom, Wieth and his sister Mary and her family are expected to arrive here in St. Cloud from IFO Refugee Camp in Dadaab, Kenya. Our new member Odol Akuay, who was just baptized on April 17<sup>th</sup>, is expecting his wife, Akolla and their 10-year-old son, Mer to also arrive here in St. Cloud from the IFO Refugee Camp. This camp was originally designed to house 90,000 people but has grown to be the largest camp in the world with over 300,000 people.

**You may be wondering how you can help?** For the refugees in South Sudan you can assist Pastor John as he reaches out to our government, relief agencies and our LCMS missionaries advocating for those that are suffering. This would involve contacting them by phone, email and letters. For those refugees coming to St. Cloud you could assist with transportation to appointments, assistance with applications for work, school and ESL classes. Basically becoming a friend to help them adjust to their new home and culture. If you would like to get involved in this ministry, please contact either Pastor John or myself.

Craig Cooper, DCO

## A Word from Prince of Peace Lutheran School

First of all, as we approach the beginning of the 2016/2017 school year, I want to thank the members of our four Association congregations – Holy Cross – Love of Christ – Redeemer – Trinity - for all of the support you have and will provide to make this coming school year a reality. Without your gifts, your prayers, your support, your work, our doors would not open and we would not be able to offer the blessings of a Christian education to our community. Writing on behalf of all of our staff and students, THANK YOU! God is blessing us through each of you so that He can bless the children who will attend our Prince of Peace Preschool and School this year!

Secondly, I want to extend an invitation to each and every family who have been blessed with children to prayerfully consider enrolling your daughters and sons at Prince of Peace. We have a dedicated, highly-qualified and experienced faculty who are passionate about providing students with a quality education that is Christ-centered. From Preschool through Eighth grade, each child will experience an atmosphere that will enable them to thrive as they learn and grow in their faith and love for Jesus so that they might become all He has blessed them to be. Our MCA scores continue to be among the best in the area, demonstrating the high quality of education available at Prince of Peace. Our class sizes are small. Our facility is excellent.

Personally, I would welcome the opportunity to visit with you to answer your questions and provide you with all of the necessary information in order that you might enroll your child or your children at Prince of Peace. Please give me a call at 251-1477 or send me an email at [admin@princeofpeacels.org](mailto:admin@princeofpeacels.org) and we can set up a time for a visit to our (your) school. We are a "Grace Place" for learning and we want to do everything we can to make it possible for you to enroll your children at Prince of Peace so they can receive the blessings of an education centered in Jesus.

In Christ,

*Pastor Dave Strohschein*

## "More Than Enough"

### *Planned Giving Stories for Christian Stewards*

Marla and Wayne purchased a life insurance policy many years ago to create security for their children's future. As the children grew up, married, found good jobs and accumulated significant assets, the insurance didn't appear to be needed for its original purpose.

**Marla:** *We worshiped and volunteered regularly at our church and wanted to know if there was any benefit to giving our policy as a bequest to them.*

**Wayne:** *I wasn't ready to part with the insurance quite yet. I wanted to preserve the option of giving it to our family if someone needed extra help down the road. We both wondered if there was a way we could commit now to help the church's ministry but make our gift at a later date when it was clear the policy wouldn't be used.*

The church's gift planner told them about a way in which they could commit to make a bequest of insurance today that would help achieve their personal and charitable goals. The bequest could be made by simply naming the church as beneficiary of their policy. With the beneficiary designation unchanged during life, the insurance proceeds would go to help the church's future ministry. In addition, their estate could benefit from an estate tax charitable deduction based on the value of the proceeds paid.

**Marla:** *The insurance bequest made sense to us. It would achieve our goals and we like the idea.*

**Wayne:** *I also like the fact that our estate would benefit from tax savings, which would help to preserve other assets intended for our family.*

Information and confidential consultation about planned giving options that might benefit you - such as a bequest of insurance - can be obtained by contacting either Mr. David Priebe, retired business attorney (612)508-4640; or Mr. George Miller (800)482-5022. Both David and George are Gift Planning Counselors for the MN North District - LCMS.
