On the 31st day of this month of October, the 499th anniversary of the Protestant Reformation will be observed. The event that took place on that day nearly half a millennium ago was Martin Luther's nailing of his notorious "95 Theses" on the front door of the Castle Church in Wittenberg, Germany. A rather innocent effort on his part to engage the church in debate over the issue of indulgences - with the hope of uniting Christians in the Gospel - ended up causing division that remains to this day within the church.

As you're reading these words, I'll be traveling to and visiting some of the sites in Germany where the Reformation took place: the Wartburg Castle where Luther spent a year in exile, translating the Bible into the German language; Erfurt, where he entered the monastery after a close call with death; and Wittenberg, where he spent most of his 'career' as professor of theology. Much like a Holy Land tour, these are places important to my faith that I've heard and read about for years. Experiencing them in person will be one of the highlights of this trip to Germany. No doubt, much will be presented next year both in Germany and around the world to commemorate Luther's influence.

I recently read through Luther's 95 Theses and was reminded how simple words can have such a powerful affect. Luther arranged the theses in the form of a legal (rational) argument for purposes of debate. Each thesis is one sentence, supporting and building on the truth of the previous theses; for example, "if Thesis 20 is true, then it logically follows that Thesis 21 is also true." The content of the document has to do with true repentance and forgiveness, and the abuse and harm to these Gospel truths that was done through the buying and selling of indulgences. What might be surprising is how little Scriptural support is used by Luther to defend his theses, and how his theological maturity had not yet fully developed at this time (1517). For example, he still felt there was a place for the teaching of indulgences, purgatory and papal authority, if these doctrines were understood correctly. Later on, of course, he repudiated them completely.

I hope to share some of my experiences and insights on Luther and the Reformation in Bible classes when I return. It'll be a great way to prepare for a 500th anniversary celebration! In the meantime, don't miss out on our own Festival of the Reformation on Sunday, October 30th. The Rite of Confirmation for 13 of our youth will also take place between services that day.

**Minnesota Adult & Teen Challenge Choir
Here October 2nd**

Minnesota Adult & Teen Challenge choir will sing at the 10:30 a.m. service and have a time of sharing and testimonies during Bible class on Sunday, Oct. 2nd. The testimonies and heartfelt singing of the Brainerd Choir is a moving experience every year they come. After the worship service we will have a potluck lunch and you are invited to bring a dish to share according to the first letter of your last name: A-J Salad, K-Z Hot dish, dessert will be provided.

Minnesota is currently experiencing a drug epidemic unlike anything we have ever faced before. It's not just in large cities, it's in rural areas and even in our schools. No community or demographic is immune. Minnesota has the cheapest, purest, and most addictive heroin in the country. As a result, the number of overdoses have tripled in the past five years.

"I can tell you [that] addiction is a factor in the majority of the cases I see come across my desk every day. Today, in Minnesota, we are up against a growing problem; addictions to alcohol, prescription pills, meth, and maybe the most frightening of all, heroin. That's why I am thankful for partners like Minnesota Adult & Teen Challenge. In my opinion, their full range of programs including intensive treatment, long-term residential recovery, and their prevention presentations, make Minnesota Adult & Teen Challenge part of the solution we so badly need"

-John Choi, Ramsey County Attorney

For more than 25 years, Minnesota Adult & Teen Challenge has been restoring hope to teens and adults struggling with drug and alcohol addiction. They are one of the largest, most effective, and most affordable programs in the nation with campuses in Minneapolis, Brainerd, Duluth and Rochester.

Minnesota Adult & Teen Challenge offers both a long-term faith based recovery program and shorter-term treatment programs allowing them to effectively serve individuals with a broad spectrum of addiction issues; from those seeking treatment for the first time, to those who have been struggling with addiction for many years.

We will also receive a door offering, to support MN Adult & Teen Challenge, at both services and checks should be made payable to: Trinity Lutheran Church, and note in the memo, "MNTC".

Prince of Peace Lutheran School News and Events

There is so much for us to praise and thank the Lord for as He has been faithful in blessing our school!

The Lord has blessed us with a growing enrollment! We begin this year with 115 students in Kindergarten through Grade 8, an increase of 20 from last year! He has also blessed our Preschool programs with 66 children enrolled at our three sites: Trinity, Holy Cross, and Prince of Peace main campus

God has blessed us with six new students from our Anyuak ministry at Trinity! He has also raised up a team of 10 volunteers in order to provide tutoring and mentoring to our new students!

Our heavenly Father has blessed us with an outstanding and dedicate faculty! Our MCA results from last year attest to the high quality of instruction our students receive from them. 85% of our students met or exceeded state standards in reading and 73% of our students met or exceeded state standards in math. This places us at or near the top of all area schools.

We thank and praise our gracious God for all of His blessings!

Our annual school WALK-T-THON will take place on Saturday, October 8th at Lake George in St. Cloud. Your support of this event is greatly appreciated – please call our school office (251-1477) if you wish to make a pledge or sponsor one of our students as they walk that morning. And, we invite you to come out and join us at 9:00 a.m. for an enjoyable time of Christian fellowship and exercise!

Our "Reformation Carnival" will be on Friday, October 29th at school with fun and games and food for all ages from 6:00 to 8:00 p.m.

Please feel free to contact Pastor Dave (251-1477 or 252-3670) at admin@princeofpeacels.org or at pds@trinitysr.org for information about our school.

Worship and Music Notes

The story behind the great Reformation hymn, "A Mighty Fortress is Our God" . . .

We think of Martin Luther as a great reformer, Bible translator, political leader, preacher and theologian. But he was also a musician, having been born in an area of Germany known for its music. There in his little village, young Martin grew up listening to his mother sing. He joined a boys' choir that sang at weddings and funerals. He became proficient with the flute (recorder) and his emotions often erupted in song.

When the Protestant Reformation began, Luther determined to restore worship to the German Church. He worked with skilled musicians to create new music for Christians. He helped revive congregational singing and wrote many hymns.

Luther's most famous hymn is "A Mighty Fortress is Our God." Based on Psalm 46 --God is our refuge and strength, a very present help in trouble--, it reflects Luther's awareness of our intense struggle with Satan. In difficulty and danger, Luther would often resort to this song. (adapted from the book, Then Sings My Soul by Robert J. Morgan)

A mighty fortress is our God, a trusty Shield and Weapon; He helps us free from every need, that hath us now o'ertaken.

Looking forward to singing this great hymn with you on Reformation Sunday, Oct. 30th!

Autumn blessings to all,

Ruth Immerfall

NEWS FROM LUTHERAN ISLAND CAMP

Thrivent Choice is another great way for you to support Lutheran Island Camp. We hope to generate \$30,000 this year but have fallen a little behind. If you are a Thrivent member and have Thrivent Choice dollars, please consider directing them to

Lutheran Island Camp. We need to raise at least \$2000 a month to hit our goal!

Bounty from the garden is shown in this photo. With frost this last week, Loren Kruse and a couple of other folks cleaned up the

garden and brought us lots of produce. We used the produce here at camp and have given some to folks who really enjoyed it. :)

The LWML is ordering RADA knives and peelers!

So many people have asked about these great products, that the ladies have decided to place a ONE- time order.

Watch for the Catalogues And order forms on Sundays and in the Fellowship Hall from Sept 25th through October 30th.

If it is time to renew your certification, please sign up at the kiosk. We look forward to doing a couple of local outings yet this fall so watch for info on those.

Endowment Gift

For almost two years now, articles have appeared in our newsletters under the heading "More Than Enough: *Planned Giving Stories for Christian Stewards.*" The purpose of these stories is to encourage and assist Christian folks to be good stewards of God's gifts throughout their lifetime, including how those gifts can continue to be a blessing beyond their lifetime. Planned giving options such as charitable gift annuities, charitable remainder unitrusts and lead trusts, life insurance, as well as outright bequests of property or stock through a will, are all ways of transferring the blessings God has entrusted to us to benefit future generations. In addition to the creation of a future legacy, these gifts also benefit the giver by offering unique tax savings in the present.

This past summer, a committee has been busy revising Trinity's endowment fund Bylaws that will be presented for approval at our October 16th voters' meeting. Gifts to Trinity's endowment fund will provide an ongoing source of income for ministries that would otherwise not be funded by our operational budget. Typically, gifts to an endowment come from an individual or family estate. For that reason, our endowment committee will continue to provide our members with information, counsel and encouragement in this important area of estate planning. Members of this committee are Dennis Bacon, Joanne Evenson, Carol Truenow, Mark Helgeson, Dennis Miller, Lori Zipp, Joanne Keck and Pastor Paul.

Suicide Prevention Resources

Christopher Benz Foundation: Connecting Communities for Suicide Prevention: The Christopher Benz Foundation aims to connect communities in the prevention of suicide.

QPR is a suicide prevention training program that stands for **Question, Persuade and Refer**. You will learn three simple steps that can help save a life of a family, friend or community member from suicide. People considering suicide often feel isolated and alone and may feel that no one can help them or understand their pain. Recognizing the warning sign of suicide and learning the skills to help save a life is something that everyone can learn. Just as people trained in CPR learn how to recognize the warning signs of suicide crisis and how to question, persuade and refer someone to help.

TXT4Life is a suicide prevention resource available in many counties in Minnesota. The TXT4Life program uses texting as a way for those in crisis or contemplating suicide to anonymously reach out and ask for free and confidential help. When individuals text the word "LIFE" to 61222, they are connected with a trained counselor who can help them by listening, providing tools and resources, and helping them get to a safe place, both emotionally and physically.
